

# MoCreebec Eeyoud

## EMPLOYMENT OPPORTUNITY

### POSITION: HEALTHY BABIES/HEALTHY CHILDREN COORDINATOR

#### SUMMARY:

The MoCreebec Eeyoud Health Department is designed to support Children & Youth and their Families by addressing community needs and providing early prevention services.

The objective of the Aboriginal Healthy Babies Healthy Children program is to improve the long-term health prospects of children aged 0-6 years through activities including pre-and post-natal screening and assessment, home visiting and service coordination. The Coordinator will ensure the effective delivery of the Program such that the needs of children referred to the program are met in a timely and culturally sensitive manner.

#### EDUCATION:

- Post Secondary education in a related field and minimum 2 years of experience in providing health or social support services to clients in an Aboriginal setting

#### QUALIFICATIONS:

- Must possess excellent written and oral communication skills.
- Must possess strong organizational skills.
- Knowledge of principles and practices in the field.
- CPR/First Aid Certificate or willingness to obtain
- Computer Literacy is required.
- Ability to work independently or with minimum supervision, while also being a team player

**TERM OF CONTRACT:** 2-year contract until August 2019. 6-month probationary period

**SALARY:** As per funding source.

**HOURS OF WORK:** 9am-4pm  
Monday to Friday

Please apply in writing, providing two recent work references no later than September 6<sup>th</sup>, 2017 at 4 PM.
