

# MoCreebec Eeyoud Spring Harvesters Subsidy Program

## Summary

The Eeyou of MoCreebec have always harvested animals from the land for food, clothing and for passing on knowledge to the next generation. MoCreebec Eeyoud Council supports the efforts of its members in pursuing our Cree way of life out on the land and for strengthen family bonds. This program is subjected to the availability of funds and has interim guidelines for accessing this subsidy program until a well establish program is viable. The Council will advocate for its member and will continue to seek addition resources for this program for future generations.

## Objectives

- To provide a subsidy for transportation during the goose harvest season.
- To revitalize and promote cree values, customs and traditions.
- To provide opportunities for our youth to learn and understand their culture and heritage.
