### DECLARATION OF CONFLICT OF INTEREST FOR APATISIWIN PROGRAMME INTERVENTION SUPPORT

#### Conflict of Interest:

The clientele who are eligible to apply for assistance under the programs and who are related directly (i.e. family member) to the Employment Counsellor or Community Career Developer and/or staff at \_\_\_\_\_.

This acknowledges that even if there is no direct conflict of interest, any potential or perceived conflict of interest is being declared in order to prevent misunderstandings.

The Employment Counsellor or Community Career Developer acknowledges that the program intervention stated in the contract is based on individual need of the client and is not agreed upon as a result of any relationship between the Employment Counsellor, Community Career Developer and the client.

The term "family member" includes spouses (including common law and same-sex partner), parents, grandparents, children, siblings, spouses of these relations, or people not related but reside in the same home.

This document recognizes the Declaration of Conflict of Interest between the undersigned and understands and agrees to the terms outlined within.
